

Outdoor programs

For adventurous guests, we offer special outdoor programs in the historical center of Znojmo or in its surrounding areas. These physical activities are conducted under the supervision of experienced professionals and are designed to thrill.

Outdoor programs:

- Four-wheeling on the backroads of Znojmo and the surrounding region
- Cycling trips through the Podyjí/Thayatal National Park
- Horseback riding through the local vineyards and the Podyjí/Thayatal National Park
- Paintball on the old military training ground and in the forest
- Escape the historical underground corridors of Znojmo
- Scavenger hunt for wine bottles in the underground corridors of Znojmo
- Rope activities including: swing jumping, bungee jumping and more
- Battle for the Castle Cornštejn's ruin (Moravian Fort Boyard): Corporate team-building program led by a professional instructor
- **"Absurdity"** – a teambuilding adventure game set in the historical center of Znojmo
- Target shooting

The above programs are designed as separate activities, but the team at the Hotel Savannah****deluxe is ready to help you create a program of one or more activities, tailor-made to fit your needs.
